Signing up on ADAM

Step 1: Sign up on ADAM via <https://adam.supplycart.my/signup>

Fill up the Form to identify your personal & company details.

Note: The email address provided at this page is not able to be changed

The image shows a registration form titled "Get started" from Supplycart. The form is divided into several sections: "Personal Details" with fields for First Name, Last Name, Contact No, and Job Function; "Company Details" with fields for Company Name, Number of Employee, and Country; and "Login Details" with fields for Email and Password. There are asterisks indicating required fields. Below the form, there is a link to "Terms and Conditions" and a "Create Account" button. At the bottom, there is a link for users who already have an account to "Login here".

Step 2: Verify your email address

You will receive an automated email to verify your email address. Click on the link to proceed to verify your email address

The image shows an email from ADAM. It starts with a "Hello!" and asks the recipient to click a button to verify their email address. The button is labeled "Verify Email Address". Below this, it states that if the user did not create an account, no further action is required. The email is signed "Regards, ADAM@Staging". At the bottom, there is a long URL for verification and an expiration time.

Step 3: Proceed to login at <https://adam.supplycart.my/login>

Note: You will be given access into ADAM once your email has been verified, and your company account has been created. If you face any issues logging into ADAM, please contact our Livechat for further assistance.
